LingoLift

Teacher Guide

Multlingual & English Learner
Product Evaluation Checklist

Age Appropriate

- [ ] Does the platform offer age-appropriate, high-interest content at accessible language levels for older students, rather than using elementary materials for teenagers?

Multi-Modal Content

- [ ] Does the tool include both audio and video resources to provide varied points of access for different learning styles?

Text Support

- [ ] Are read-along transcripts and closed captions available for all audio and video content?

Language Support

- [ ] Are instructions available in your students' primary/home languages?

Searchability

- [ ] Are activities tagged by both grade level and English proficiency level so you can find the right resource in under a minute?

LingoLift

Teacher Guide

Multlingual & English Learner
Product Evaluation Checklist

Domain Coverage

- [ ] Does the platform provide explicit practice across all four language domains (reading, writing, listening, speaking), including built-in speaking tasks?

Teacher Flexibility

- [ ] Does the platform provide adaptable resources and customizable teacher guides?

Framework Alignment

- [ ] Is the content compatible with your specific English Language Development framework (e.g., WIDA, ELPA21, or state-specific standards)?

Accessibility Standards

- [ ] ADoes the tool meet WCAG 2.2 accessibility standards, including screen-reader compatibility and full captioning?

Newcomer Design

- [ ] Are lessons designed specifically for newcomers from the ground up, rather than just simplified versions of general education lessons?

Give your new arrivals the tools to thrive.
